

## AD and Solar Farm Developments

You may have heard about two large scale developments being proposed for our area - an anaerobic digester at Martin Moor and a solar farm near Sleaford. Around 25 parishioners attended our recent meeting on 24th January to find out more about how these plans might affect them. Martin and Martin Dales Parish Council is arranging a public meeting at which more information will be available. The date and time will be published as soon as possible and everybody is welcome to attend. In the meantime, please see the links below.

Solar farm:

A community group called Love Martin Moor has been set up. The group is asking people to complete a survey or register their interest by emailing [lovemartinmoor@gmail.com](mailto:lovemartinmoor@gmail.com). This is the link to the survey: <https://us12.list-manage.com/survey?u=cdbc62c1cadc5f471b9fadc47&id=603306b815&attribution=false>

The consultation period for the solar farm runs until 7 March 2023. Exhibitions are being held in the coming week:

- Tuesday 31 January (2pm-7pm)

Blankney Old School House, Drury Street, Blankney, LN4 3AZ

- Wednesday 1 February (2pm-7pm)

Scopwick Village Hall, Brookside, Scopwick LN4 3PA

- Friday 3 February (11am-4pm)

Ashby de la Launde Village Hall, Church Avenue, Ashby de la Launde, LN4 3JQ

- Saturday 4 February (11am-4pm)

As representatives of our parishioners, the Parish Council aims to listen to the opinions of residents and to act accordingly.
